LIILA 1 MEDIUM WALL/CEILING - Optic

Design: Sofie Refer, 2018. US-model.

Liila 1 Wall/Ceiling in mouth blown Optic Clear glass and Nordic Gold finish.

Liila Collection has a Nordic simplistic yet sensuous look due to the fine reflections in the glass and metal. The mouth blown glas is elegantly framed by the metal disc in soft metallic finish.
While the version in Optic Clear glass creates sparkeling reflections, the version in Opal White glass completes the minimalistic Nordic look.

Liila 1 Wall/Ceiling works perfectly single or grouped in a decorative formation. Liila 1 also suits smaller rooms, the bathroom and the entrance hall.

Liila collection:
The Liila collection include the following products:

• Liila 1 Medium Wall/Ceiling - Brass Optic/Opal
• Liila 1 Medium Wall/Ceiling - Silver Optic/ Opal
• Liila 1 Large Wall/Ceiling - Brass Optic/Opal
• Liila 1 Large Wall/Ceiling - Silver Optic / Opal
• Liila 12 Wall/Ceiling -Brass Optic/ Opal

components, but the fixture itself is not
UL listed. This option may be available for
an additional fee.

Light source:
Socket: G9
Max wattage: 7W LED (Bulb not included)
Voltage (V): 120V

Recommended light source:
Equivalent to Illumination G9 (344-07), 2.3W

Dimmability:
Can be fitted with an aligned dimmer.

DALI compatible

Safety instructions

Important! Before commencing installation work disconnect the main cable from the power supply - remove fuse or turn switch to "OFF"!

1. Installation should be carried out in accordance with the local safety regulations.

2. In order to prevent damage, please check walls for cables before drilling holes.

3. Please ensure that all electrical connections (even preassembled lamps) are screwed tightly or are fully inserted as good contact is essential for a long life-span at high currents. Please check for tight connections after changing or adjusting lamps. Screwed connections must be tightened after 20 minutes.

4. Please do not place objects on your system (e.g. for decorative purposes) if they were not delivered with the system.

5. The lamps get very hot when in use. Please allow lamps to cool down before touching.

6. Do not change lamps or spots when switched on.

7. System should not be enlarged with additional lamps.

8. We reserve the right to make technical alterations.

Please keep these instructions.

Fitting: G9
Use of a dimmer is highly recommended
(Must be compatible with type of bulb.)

The glass used for this lamp is hand-blown.
Only 1st. quality has been chosen.
Air bubbles and variations in thickness and colour is normal.

## Assembly Instructions

NUURA

CE

NUURA

1

Mount the back part of the lamp to the wall or ceiling with screws.
Please make sure it is fixated properly.

2

Lead the power cable in through either the bottom or the back of the ceiling plate
Connect the wire-ends to the cable connector. Match the brown wire with "L" the blue wire with "N" and the green/yellow wire with the grounding symbol
3

Carefully place the cover plate over the socket.

4

Carefully place the small metal plate over the socket.

5

Place a G9 light bulb in the socket.

6

Take the glass globe and carefully place it over the light bulb. Fixate it by turning the glass globe clockwise.
