

Coral Sofa

Finishes of the above picture

Fabric
Wool Bouclé
Col. 03 Linen

Wood
Ashwood with
acetic finish

Forme generose ed abbondanti per una serie di imbottiti il cui disegno riprende la morbidezza di una nuvola. La struttura monolitica non pesa all'occhio, grazie all'inusuale partizione degli elementi che compongono le forme: schienale, braccioli, seduta, che sembrano tra loro incastonati come elementi naturali plasmati dal tempo.

Divano 3 posti con imbottitura realizzata in gomme biologiche, cuffia in ovatta naturale e cinghie in juta. Rivestimento non sfoderabile. Base in frassino massello ecosostenibile non selezionato, con finitura acetica.

Generous and abundant shapes for a series of upholstered furniture items with cloud-like, accommodating design. The monolithic structure is pleasant to eyes, thanks to the unusual partitioning of the individual elements that make up the whole: backrest, armrests and seat, which seem to fit together like natural elements fashioned by time.

Three-seater sofa with cushioning made of biological polyurethane covered with natural wadding, and jute webbing. Unremovable covering. Wood basement in ashwood with acetic finish.

Covered in blended linen or linen fabric

BOUCLE' WOOL / CHENILLE | SED.CORA.100.DEL
