ELLIPSE è una raffinata collezione di tavoli e coffee table dall'immagine scultorea, definita da linee curve e superfici arrotondate. I tavoli, proposti in versione rotonda e ovale, sono caratterizzati dal raffinato abbinamento di due materiali: marmo Nero Marquina e metallo. Il piano in marmo nero – in lastra unica tornita da blocco – è reso ancora più prezioso dal bordo arrotondato. La base è composta da due elementi distinti: un cilindro in marmo e una vela curva in metallo calandrato con finitura interna nero opaco e finitura esterna bronzo ottone opaco. Nella versione rotonda si intersecano componendo una base centrale, nella versione ovale sono due elementi distinti e danno al tavolo una speciale allure scenografica.

ELLIPSE is a refined collection of tables and coffee tables with a sculptural image, defined by curved lines and rounded surfaces. The tables, offered in round and oval versions, are characterized by the refined combination of two materials: Marquina Black marble and metal. The black marble top - in a single slab turned from a block - is made even more precious by the rounded edge. The base is composed of two distinct elements: a marble cylinder and a curved calandered metal sail with an internal matt black finish and an external matt brass bronze finish. In the round version they intersect, composing a central base, while in the oval version they are two distinct elements which give a special scenographic allure to a table.

ROUND

ROUND MATT | TAV.ELLI.300

Top in Marble Marquina Black matt finish

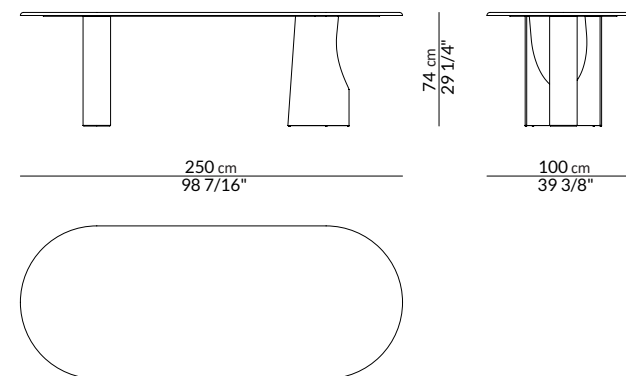

Bases in metal matt bronze brass finish and matt black and marble Marquina Black Matt finish
