

SkLO

Pool

WALLPIECE

From left: Medium/Strawberry, Small/Smoke, Large/Plum with Dark Oxidized steel wall hooks

SkLO Pool wallpieces are discs of handblown glass with open mouths at the center where the pieces are broken from the glassmaster's pipe and flame polished, giving each a unique detail. SkLO Pool wallpieces are hung with handmade steel wall hooks. The steel wall hooks come in two different depths, 3" and 4" (7.5 and 10cm) to allow for slight overlapping of the pool discs. Unless otherwise specified, a mix of 3" and 4" hooks is provided.

All glass dimensions are approximate - handblown glass dimensions vary by nature and intent
